# EXECUTIVE SUMMARY

Since 2011, Realistic Asia has been providing Vietnam tour packages combining comfort and authentic travel experience through Vietnam's breathtaking attractions.

We offer our travelers unique vacation with efficient services and personal touch and care.

## EXECUTIVE SUMMARY

We have a wide variety of well-planned trips with guaranteed departures, what lets our partners to book their clients confidently. In addition to it we specialize in tailor-made trips and could customize the perfect vacation to any of your clients and we can create an exclusive tour package just for your company.

The background of the slide features a photograph of two Buddhist monks in a dimly lit temple. One monk is standing in the background, and another is kneeling in the foreground, both wearing traditional maroon robes. The scene is filled with numerous lit candles, creating a warm, golden glow. The overall atmosphere is serene and spiritual. A solid green square is located in the top-left corner, and a green horizontal bar is at the bottom right.

We at Realistic Asia focus on details and we believe that strong communication with our partners leads to the best experience for your customers. During the trip we will be with your clients emphasizing the utmost care and attention. We are always available and give 24/7 hotline support guarantee for all our travelers during their trip.

In addition, Realistic Asia offers full clarity on our offered price values. There are no hidden fees or charges in our packages. We always ensure what is included and what is not included, as we do not like to offer a different price for ONE package – "You get exactly what you want", this is our promise at Realistic Asia.

## WHY WE STAND APART

# GREAT VALUE
